

Thank you to our community....

It has been our honor and privilege to provide care to you and your loved ones for the past 40 years in the Springfield Hospital Emergency Department.

We wish to thank you for placing your trust in us during your most difficult times. For many of us, our entire professional careers have taken place at Springfield Hospital and you have been a part of that.

While Bluewater Emergency Partners will now be providing care in the Emergency Department at Springfield, ESNE will remain a part of the community as we continue to provide services in the Springfield and Charlestown walk-in clinics as well as the Mount Ascutney Hospital Emergency Department.

As individuals and a corporation, we want to express our appreciation for our EMS providers, medical staff, nurses, technologists, and support staff we had the pleasure to work alongside in the Springfield Hospital Emergency Department for 4 decades. They are some of the finest people we know.

EMERGENCY SERVICES OF NEW ENGLAND INC.
