

Windham Select Board  
5976 Windham Hill Road  
Windham, VT 05359

May 1, 2017

Governor Phil Scott  
109 State Street, Pavilion  
Montpelier, VT 05609

Dear Governor Scott:

Re: VT Route 11, Londonderry/Windham/Andover/Chester

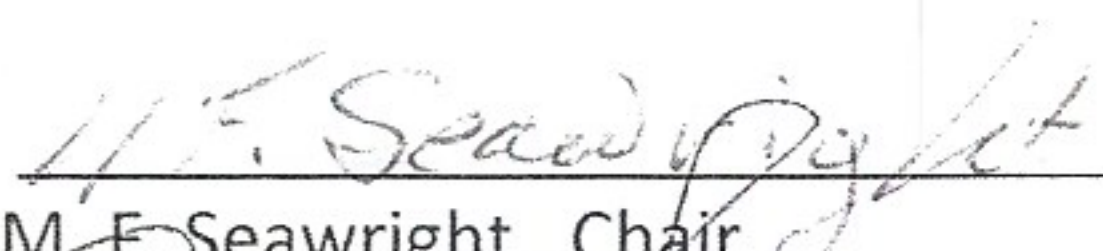

We are writing to you in support of our colleagues at the Andover Select Board and the letters they have written you, dated March 13 and April 13.

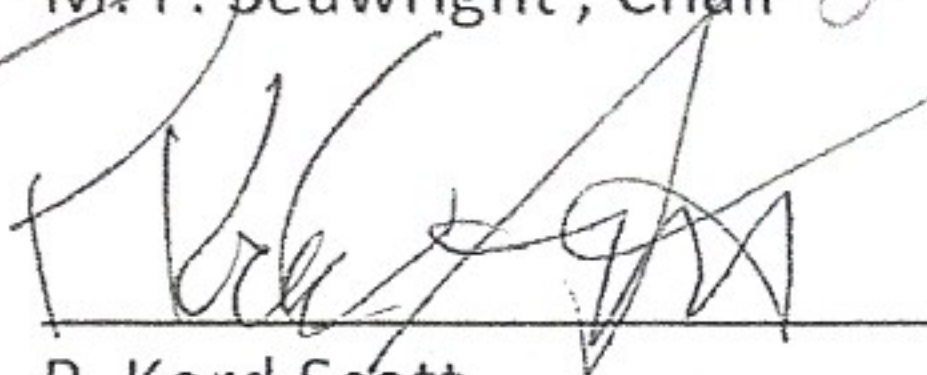

Having received many complaints from residents, neighbors and passers-by ourselves, we wanted to let you know that it will be extremely difficult to live with the condition of Rt. 11, as it is now, compounded by how it will deteriorate over the next 2 years, if not properly repaired.

You know, of course, that the road is the major connector between Londonderry and Chester. Many people travel this route from Windham on a daily or near-daily basis. The trip is perilous as well as nerve-wracking. And we can only begin to imagine the damages we are doing to our vehicles!

As our colleagues in Andover have already done, we, too, invite you to look at the road for yourself. Perhaps that will be the impetus this project needs!

Sincerely,

  
M. F. Seawright, Chair

  
P. Kord Scott

  
Maureen Bell
