

Reading the detailed GMUSD FY20 budget

The full GMUSD budget with details appears really complex, but it's not as difficult as it seems. The first two pages are revenue. After that there are four distinct budgets, one each for district-wide, Cavendish Town Elementary, Chester-Andover Elementary and Green Mountain High School.

Pages 1 & 2 -- Revenue 3077

Pages 3 - 8 -- District-wide 3077

Pages 8 -16 -- Cavendish 1063

Pages 16 - 25 -- Chester Andover 1070

Pages 25 - 42 -- GMHS 1124

The second number after the first decimal point is the location number which is listed above. This long number with all the decimals is the new state-mandated Chart of Accounts. The business office is required to use this system.
