

PUBLIC HEALTH NOTICE

TOWN OF MANCHESTER

Per the Town of Manchester Selectboard, effective Monday, June 8, 2020, in response to the COVID-19 pandemic and in order to protect public health, all establishments located in the Town of Manchester and Village of Manchester that invite the public into their premises for the purpose of transacting business, shall require both staff and customers (or visitors) to wear cloth face coverings or face shields over their nose and mouth while inside the building of the establishment.

Exceptions:

- Cloth face coverings or face shields are not required to be worn by any employee during the time they are eating or exercising, and cloth face coverings or face shields are not required to be worn by any customer (visitor) during the time they are eating or exercising.
- Employees in a private room, such as an office, inside a building that is not otherwise occupied by another employee or customers (visitors) may abstain from wearing a face covering while alone in that private room.
- Cloth face coverings should not be placed on young children under age 5; anyone who has trouble breathing; or anyone who is unconscious, incapacitated or otherwise unable to remove the mask without assistance.
