

Kathy has been a Vermonter since 1970. She obtained her Bachelor of Science in Business Management and has been a practicing CPA since 2005. Her career started in banking, which led to a desire to work in the financial arena. She spent over nine years in public accounting, before moving over to the private sector eight years ago. Kathy became the controller for Triple Peaks, LLC (Okemo, Mt Sunapee, and Crested Butte) in March of 2013 and stayed on through Vail's acquisition, transitioning the accounting function and then staying on as the Director of Hospitality Finance. When all finance and accounting positions shifted to Broomfield Colorado in June, Kathy knew that Vermont was where she needed to stay.

With encouragement from Mary Richardson and Ron Thiessen, (local Chester accounting and financial professionals), Kathy decided to open her own practice in the Henry Building on 116 Main Street.

Kathy resides in Springfield with her husband Greg. Her children Garrett and Emily have grown up in Springfield and as young adults, are now leaving the nest. Garrett to Benson's Chevrolet in Ludlow, and Emily to the Army National Guard and University of Vermont. In her spare time, Kathy enjoys biking, camping, crafting, reading, and spending time with family and friends.
