Subject: Resignation from Board

Please accept this letter of resignation from the Board of Trustees of the Whiting Library. I am thankful to the persons who elected me and sorry to leave my position. I had hoped that I could serve them because I cherish the library and hope it will continue to serve the community.

Most of the rest of the Board has resigned and I am too new to the Board to continue without the help, inspiration, and support of the persons with whom I served in my short time on the Board.

Sincerely,

Kathryn Poston
